### October 2020

Course	Course	Course	Course	Course	Course	Course
<b>Well-Being Webinar</b>	Thursday 15th October 2020	4.00-6.00pm	Zoom for half day session.	Dr. Lee Randall, Educational Psychologist	EYFS/KS1 /KS2	£10.00 for one Zoom session.

**Course Content:** Space for individuals to reflect upon their experiences of lockdown and the kinds of feelings and situations that have presented themselves, what these can teach us, and what they say about how things will be going forward. Opportunity to look at CBT and self-help approaches to managing mental health. Lee will dispel the myth that therapy is a passive process in which a therapist speaks to you and 'makes you feel better'. Rather therapy is a process by which the therapist works to develop the tools and resilience in individuals to help themselves manage and maintain their own mental health. Lee will give participants tools to go away and work on whatever they may be struggling with or may struggle with in the future, without having to enter into a therapeutic relationship with them.
